

The Excellence of Hyoge Miso

“Hyoge Miso has one of the highest life force among 8,000 different kinds of foods which I have analyzed in last 40 years!”

—Keiichi Morishita, ND

“This is a truly living food with very high life energy and the energy is very easily assimilated. No other Miso comes close to the power of Hyoge Miso. It is such a dramatic difference that I feel that I have never really eaten the “real” miso.”

—Robert Stevens, NTS, ND, CCSP

The Highest Quality of Ingredients:

• Organic rice, wheat and barley from Japanese organic farmers

• 22 different kinds of organic beans

• 24 different kinds of salt from 7 oceans and 5 continents

through Elixir, water purifier and activator

• Spring water run through Elixir, water purifier and activator

• Blending ratio was determined by 0-1 test (applied kinesiology)
